Master of Science in Computer Engineering Study Plan

First Year							
Fall Semester				**Spring Semester**			
Couse Code	**Course Title**	**Type**	**Credit Hours**	**Couse Code**	**Course Title**	**Type**	**Credit Hours**
1502503	Applied Mathematics for Engineering	Compulsory	3	1502502	Optimization Methods in Engineering	Compulsory	3
1502501	Engineering Research Methodologies	Compulsory	3		Elective 2	Elective	3
	Elective 1	Elective	3		Elective 3	Elective	3
Total			**9**	**Total**			**9**

Second Year							
Fall Semester				**Spring Semester**			
Couse Code	**Course Title**	**Type**	**Credit Hours**	**Couse Code**	**Course Title**	**Type**	**Credit Hours**
	Elective 4	Elective	3	1502599	Master Thesis*	Compulsory	6
	Elective 5	Elective	3				
1502590	Graduate Seminar	Compulsory	0				
1502599	Master Thesis	Compulsory	3				
Total			**9**	**Total**			**6**

* Student must have completed all courses (compulsory and electives) before the semester in which the MSc thesis is defended.
